

**Call us today
to set up your event!**

No other fundraiser
gives you the
rewarding experience
of being personally involved
like we do!

Don't miss out
on this great opportunity to
help put an end to
world hunger,
one village at a time!

Here's How It Works:

1. You and/or your organization decide to get involved in this unique service opportunity!
2. You pick a target date for your food package assembly.
3. Use your Kids Against Hunger support packet to begin fundraising for the costs of the food and packing materials that we provide.
4. Event Day! You and your team of volunteers come together for an energetic time of scooping, weighing, packaging, and preparing foods for their trip overseas to feed starving children! This is where you really see the fruits of your labor—you get to actually be a part of the process, and see your money put to good use! KAH provides all the supplies you'll need, you just provide the laboring hands!

Against
Hunger**
Cedar Rapids

**Do you know
what it's like
to be hungry?**

...really hungry?

**...to the point of
starvation?**

**Help put an end to
world hunger, one
village
at a time.**

Kids Against Hunger

The Problem

Starving children all over the world are dying at a staggering rate of *twelve per minute* because their immune systems and pancreas have literally shut down due to lack of consistent nutrition.

More than *840 million people in the world are malnourished*. More than 153 million of them are under the age of five.

40,000 children die every day from malnutrition, starvation, and hunger-related disease.

Call today and set up
your opportunity to help!

The Solution

A team of the world's leading food scientists at Cargill, Pillsbury, General Mills and ADM worked alongside the Kids Against Hunger International's founder, Richard Proudfit to create a nutritionally revolutionary food package.

This one package provides six nutritionally-complete servings with sources of easily digestible protein, carbohydrates, over twenty vitamins and minerals, and all nine of the essential amino acids required for complete nutrition needed by an undernourished child's body and mind, helping them actually recover from starvation.

The food is acceptable to the broad diversity of ethnic tastes and religious differences around the world. and it is simple to prepare, needing only boiling water.

**All this,
for the
low cost of
25 cents
per serving!**

Be a Part of the Equation!

Kids Against Hunger, Cedar Rapids is one of thirty food packaging satellites across sixteen states for Kids Against Hunger, International. Kids Against Hunger is a non-profit organization whose mission is to significantly reduce the number of hungry and starving children in over forty countries globally. We are changing the world, giving life and new hope to those experiencing starvation, and we do this by mobilizing the energy and compassion of American children, teenagers, and adult volunteers. To do this, we need you!

We partner with local organizations to fundraise and assemble food packages. We provide a unique opportunity not only to raise money for a good cause, but be involved in service as well. Keep reading to find out how easy it is to get involved!
